

Assistance League® of Salt Lake City

Code of Ethics

Assistance League's mission can only be realized through a common code of ethics upheld by members, volunteers and employees.

We expect integrity, honesty and trustworthiness in our work, courage in our decisions, and dedication to Assistance League's values and beliefs.

We expect responsible action, accountability and transparency toward our constituents and one another. We share information when appropriate, without sacrificing confidentiality.

We expect to be treated, and to treat others, with respect. We respect the opinions of, and the differences among, individuals.

We expect fairness to be evident in our actions internally and externally. We are equitable in our decisions and mindful of their impact on others.

We expect our actions to demonstrate concern for others and the community as a whole.

We expect our members, volunteers and employees to set a good example, to keep promises and commitments, and to support others in adhering to ethical standards.
