ADOPTION AGREEMENT FOR NATIONAL ASSISTANCE LEAGUE®

NAME-BASED SEARCH POLICY

1. Assistance League of Salt Lake City ("Chapter") has asked to be given access to the Criminal Background Check provided by National Assistance League ("NAL") through the **National Assistance League Name-Based Search Policy** (attached). This document is being executed following a vote of the membership authorizing such action.

2. Chapter has determined that the following group of employees, members and volunteers will be required to pass a Name-Based Search (check boxes as appropriate):

_____ All Employees

_____ All Advisory Council Members

_____ All Members

If it is determined that only certain categories of members will be required to pass name-based search, Chapter will need to describe categories of members who will be required to pass a name-based search. (Examples of categories could include all Board members, all individuals with access to financial accounts, all members involved in _____program, etc.)

_____ x All Members who are:

Board members, fiduciary members (Treasurer and Assistant Treasurers), Assisteens Coordinator, adult member volunteers working with Assisteens.

_____ All Volunteers who are involved in chaperoning Assisteens at meetings or events.

Chapter understands that it is responsible for providing and maintaining a list of names and email addresses to the national organization of those members that are to be subject to name-based search.

President, on behalf of

Assistance League of Salt Lake City
